October 7	Central Region Brampton
October 20/21	Provincial Series #2 Kitchener
December 1	Central Region Markham

Summer Update

We hope you are enjoying the summer.

The executive has been actively working on plans for the coming season. After such a great 2017/18 season we are looking forward to an even better season to come for 2018/19.

There are a few remaining positions that still need to be filled in the Support roles. As you are all aware, this is a 100% volunteer run Club. **Every** skater needs to be represented by a parent, or themselves if old enough, in a volunteer capacity.

EMAIL Debbie today at
president@durhamspeedskatingclub.ca

to fill one of these roles below and contribute to your club:

- Regional Meet Registrar
- Website & Newsletter Coordinator
- Sponsorship Coordinator

- Provincial Meet Registrar
- Club Communications Coordinator
- Fundraising Committee – 3 members

Open House, TryB4, Fundraiser, Sponsorship, and promotion of the Club all ahead

The skating meets start early this year with the first Provincial Meet on September 29/30 in Ottawa.

The first Central Regional Meet will be October 7 in Brampton.

We need meet coordinators to get the skaters registered for these events! Go to the OSSA site for the full calendar of all upcoming meets.

The opening season fundraiser will be North Country (formerly MacGregors Meat).

The profit from this particular fund raiser will be a 50/50 split for the Club and individual skater. You will be able to put your earnings towards the club registration fee or a meet registration. Watch for the information coming soon.

Open House and Club Registration will take place at the Tribute Centre on Sunday September 9th. Skating starts Monday September 17th and TryB4 starts Wednesday September 19th.

On-line registration with Speed Skating Canada will be available prior to our Club registration.

Be sure to print the forms prior to coming to registration! Watch for the link to these forms.

Mark April 6, 2019 for the Year-end fundraiser

BIG NEWS!

Durham Speed Skating Club received the '2018 Club of the Year' award from Ontario Speed Skating Association! This was in recognition of the growth of our membership and the amazing team

work of all of the parents and skaters through fundraising and sponsorship efforts.

We ended the year on a very positive note and it is with this energy that we will start our 13th season. Enjoy the rest of the summer and see you all in September!
