Sponsorship Can Provide Your Company With Many Benefits Like These:

- INCREASE YOUR BRAND RECOGNITION**
- GAIN EXPOSURE TO A TARGET AUDIENCE**

Please consider joining the Durham Speed Skating Club as a valued sponsor. Your sponsorship will ensure we can keep our club open for future athletes in Durham region, keep our current support structures in place, and advance our club to keep our athletes competing. With your sponsorship donation you will gain exposure to many active families from Durham region and all over Ontario. Most importantly, you will also be helping to shape our community. Speed skating is a great alternative to figure skating or hockey, as it provides many of the same benefits such as team building, exercise, competition and a sense of community. The Durham Speed Skating Club is a volunteer based organization. The executives and coaches that keep the club running are unpaid volunteers. We may be small but we compete with the best from many other regions in Ontario throughout the season. Some of our skaters have won Provincial and National titles, set provincial records, and one of our members is currently on the National team.

Any donation amount is greatly appreciated, if you would like to donate less then \$250 your company name will be included in our newsletter.
